RE: VERIFICATION OF METRONET LONG DISTANCE SERVICE

The following is a list for your phone lines. In order to verify your long distance service, please call the two phone numbers listed from each phone line. This is the best way to verify your long distance carrier.

Be sure to call both Intra-LATA and Inter-LATA from each of your phone lines to verify your Metronet connection. Then check off which line Metronet/Qwest is connected.

We currently employ Qwest to connect your Metronet calls. You should hear a recording that will verify that Qwest is your carrier.

If you have any problems verifying your Metronet connection, please contact our customer service staff as soon as possible. You may reach us locally at (517) 694-1101 or toll free at 1-888-694-1101.
